

Product ID:
RGHL1

Product Name:
Temporary Lifeline

The RGHL1 is a simple to install horizontal webbing safety line, incorporating a ratchet tensioner.

The RGHL1 safety line can be used in conjunction with fixed length or adjustable restraint and fall arrest lanyards. The assembly is supplied in its own bag complete with shoulder strap, enabling the user to carry it to site with little effort. Once fitted, the bag can be used for storing surplus webbing.
